Mel Bay Publications, United States, 2001. Mixed media product. Book Condition: New. 297 x 218 mm. Language: English . Brand New Book. A collection of 16 hot, intermediate-level flatpicking guitar solos from five of the leading exponents of this technique, plus a CD featuring performances of all of the tunes. David Bromberg is known as the leader of one of the most successful acoustic bands of the 1970 s and 1980 s. The Kitchen Girl, a fine Kentucky tune, is an example of Bromberg s good taste in choosing material. Dick Fegy is a master picker of fiddle tunes and is the most heavily-featured player in the collection. San Francisco Bay area favorite Eric Thompson crosses old-time with traditional Irish playing. Michael Aumen contributes three tunes associated with Clarence White and a very interesting version of Soldier s Joy, with a flair that pushes the limits of the hot country style. Richard Lieberon is a fine bluegrass picker who has developed a convincing swing jazz style with exciting results, and a touch of humor. Written in notation and tablature.
