Excerpt: . . . positions in the T and E directive, share some advisory, review, and oversight responsibilities. For example, both are responsible for advising program managers in developing T and E documentation and approving test and evaluation master plans. The TES Director is responsible for developing DHS T and E policy and the Director of Operational Test and Evaluation is to approve operational test plans and report to the ARB after assessing operational test reports. Since May 2009, the Director of Operational Test and Evaluation position has not been continuously filled according to the 28 current TES Director. In a November 2010 memo, the Under Secretary for Science and Technology designated one person as both the director of TES and the Director of Operational Test and Evaluation until further notice. e The T and E directive outlines the responsibilities of the TES Director and th Director of Operational Test and Evaluation. According to the directive, the TES Director...
