Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Newsflash! UFO sighted. How do we react to such news? Some of us laugh and think of the movies we have seen, with tinfoil wrapped around someone s head. Some of us have a slight flutter of angst deep within. I mean, what if it was true? What if someone really did see a UFO? What if there were beings aboard that UFO? Are they spying on us? Preparing for who knows what? Would it land? Here on our Earth? Could they be benevolent benefactors from a more cultured and advanced world? Or would they be fierce hostile creatures with the intent of human extinction? We are all familiar with the initials UFO and understand it to mean Unidentified Flying Object. In a sense that s true, but for a very different reason than most people think or are aware of. What UFO really stands for is Ungodly Forces Overhead or Ungodly Foes Overhead. There is so much more going on behind the scenes in the invisible world, unseen by the human natural eye than most people realize. The invisible world? What the heck?.
