Filament Publishing. Paperback. Book Condition: new. BRAND NEW, Mum's the Word!, Gail Reynolds, Gail discovered the Direct Selling Industry in 2001 at a time of her life when she was running low on money, choices and prospects. Seeing the opportunity to run a simple business from home and to take charge of her life, she was determined to use this opportunity to provide a better future for her children. In less than ten years, she has grown a home-based business from Zero to turning over Six million pounds a year and helped countless other mums and women worldwide to follow her lead. Now, as one of the top leaders in Avon, she has an enviable lifestyle, which includes all the trappings of success. She has achieved all of this by helping others to follow Simple Systems and to build their own businesses, one step at a time. Her team is now over 2,500 women strong. She has been recognised as the fastest growing sales leader in the UK and her success has been reported in the national press and even on the Jeff Randall show on Sky News. Gail wrote "Mum's The Word!" to inspire mums who wanted to gain financial independence by working from home and be able to spend the maximum time with their family, a subject on which she is an expert.
