### **Reviews**

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook I have read during my very own daily life and could be the best eBook for possibly.*

Pubslush Press. Paperback. Book Condition: New. Paperback. 228 pages. Dimensions: 8.0in. x 5.2in. x 0.6in. The debut book from Pubslush Press: for every book sold, a childrens book will be donated to a child in need. Imagine what your life would be like if you laughed through all the mayhem Biracial and bicoastal, Berlinski spent her childhood flying between the dysfunctional families of her divorced parents, always feeling like an outsider. Fortunately, she never lost her sense of humor, which is apparent on every page of her debut essay collection, a riotous and revealing expos of the new normal and the consequences of too much air travel, cultural diversity, and conflicting and conflicted parents. With an open heart, she recounts her somewhat misspent youth and a wildly exciting (though equally torturous) love affair with the guy of her dreams, eventually leaving it all to start again abroad. Shes Carrie Bradshaw reimagined as a third grade teacher in Brooklyn with zero interest in Manolo Blahnik. Shes a tough New Yorker with a tender twist of California sunshine whose journey will be oddly familiar and utterly unique to anyone whos ever believed that love would save them if not with this guy, then maybe with the next. As her grandfather once said, Well, it may not be the party you hoped for, but since were here, we might as well dance. So now she lives in Spain and, despite everything, continues to dance through this messy, magnificent life. Say yes to your mess. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
