Reviews

This ebook is worth acquiring. Better than never, though I am quite late to start reading this one. You will not truly feel monotony at any time of your own time (that's what catalogues are for about if you ask me).

LITERATURE AND THEOLOGY (PAPERBACK)

Abingdon Press, United States, 2008. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Literature and Theology is a volume in the Horizons in Theology series. It offers a highly engaging essay on the major concerns and questions regarding literature (fiction and poetry) as it intersects with theology past and present. Ralph Wood is a senior scholar in this field, one who is able to address in a clear and concise style the scope and contours of this question as it relates to theological inquiry and application. He opens the broader lines of discussion in suggestive, evocative, and programmatic ways by focusing on representative and core literary texts. Horizons in Theology serve as supplements and secondary required texts in colleges and seminaries, as well as the interested nonspecialist reader.
