THE STEPMONSTER

Paperback. Book Condition: New. Not Signed; This is a funny, poignant family story by bestselling author Joanna Nadin, perfect for children learning to read. Tom knows all about stepmothers from the books he's read. They do all sorts of horrible things. In fact, they aren't really stepmothers at all. They are step monsters! So when his dad's new friend Lulu comes to tea, Tom is convinced she will turn out to be a step monster. She might not look like a step monster. (Her hair looks like it's been spun from gold.) And she might not act like a step monster. (She likes all of the same things that Tom does - manatees and moles and woodlice and playing Snap for hours.) But maybe that's just a clever disguise. The Reading Ladder series helps children to enjoy learning to read. It features well-loved authors, classic characters and favourite topics, so that children will find something to excite and engage them in every title they pick up. It's the first step towards a lasting love of reading. Level 3 Reading Ladder titles are perfect for fluent readers who are beginning to read exciting, challenging stories independently. It includes varied sentences; detailed illustrations to enjoy; chapters; interesting characters and themes; a rich range of vocabulary; and more complex storylines to stretch confident readers. All Reading Ladder titles are developed with a leading literacy consultant, making them perfect for use in schools and for parents keen to support their children's reading. book.
