PROTECTED LAND: DISTURBANCE, STRESS, AND AMERICAN ECOSYSTEM MANAGEMENT

Springer. Paperback. Book Condition: New. Paperback. 166 pages. Dimensions: 9.2in. x 6.1in. x 0.4in. By many measures, Earth's ecosystems are stressed. Actually, it may be more accurate to say that Earth's remaining ecosystems are stressed. The fact is that most of the planet's biomes support only a fraction of the biological communities they once did, primarily because humans have converted large areas of land to alternate uses. More than two-thirds of the global temperate forests, half of the grasslands, even a...

Reviews

This written ebook is excellent. This really is for all those who state that there was not a worthy of reading through. You are going to like just how the article writer compose this ebook.

-- **Arielle Boehm**

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.
