Who fed you the lie? Who covers you when you have been beaten, raped, provoked, or tried by the man that stands behind the pulpit or the God-fearing corporate giant, the leader of innocent lives, or the one who cares for patients daily and still nurses larva for flies but sleeps in your bed nightly? He s the one that everyone looks up to, but we re never taught to hate. Who s playing charades? Who bore this man-child of deception and served him up on a platinum plate? He s the court gesture with the crown, the Solemn that everyone looks up to and desperately seeks out for help, advice, and care. While your eyes are focused on the Kingdom, the tempest within is lying right next to the heir. Yes, your significant other, your husband and friend--the man whom you cover but cloak your own deep scares in sin.
