Faenum Publishing, Ltd., United States, 2012. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The aim of this book is to make Lucian s The Ass accessible to intermediate students of Ancient Greek. The running vocabulary and commentary are meant to provide everything necessary to read each page. The Ass is a great intermediate Greek text. The narrative is fast-paced and funny, and the language is fairly simple and easy to follow. Unlike its better-known Latin relative, Apuleius Golden Ass, Lucian s The Ass is an unpretentious satirical text that tells a funny story in a casual and light-hearted manner. There is little moralizing or didacticism in the story, and unlike the hero of Apuleius s version of the story, there is no religious or philosophical illumination at the end. The final episode is a funny twist of events completely in tune with the tenor of the rest of the novel. There is a hilarious love-making episode with lots of double-entendre, and other episodes that portray the doings of various low-life characters who are rarely present in ancient literature at all. Thieves, religious charlatans, witches, millers, servants, soldiers and bakers all find a place in this strange story of chance and magic.
