Brand New Book ***** Print on Demand *****.Excerpt from Education for Highway Engineering and Highway Transport: Report of the Regional Conference Held at University of Pittsburgh, Friday, November 26, 1920 This conference strongly recommends that universities and colleges offer courses in highway transport as their facilities will permit, and that at least 10 universities. Located in different geographical sections of the United States, offer short-period advanced courses covering the various phases of highway transport, and 4-year courses in highway transport engineering or highway transport options in 4-year collegiate courses. That the underlying principles of highways and highway transport, as well as the rules of the road, he taught in the grammar schools and high schools of the Nation. Among the first institutions to respond to the call of the Washington conference was the University of Pittsburgh, which at that time was completing a special highway-transport laboratory, in which the work in both highway engineering and highway transport is carried on under the same roof. Among those invited to participate in this conference were the members of the Educational Association of Western Pennsylvania and the Pittsburgh Teachers Institute. And about teachers were present from these organizations. The purpose of this report is twofold: First, to stimulate greater interest of colleges and schools of engineering in the studies of education for highway engineering and highway transport; second, to assist teachers in the grammar grades and high schools in teaching safety as well as the relation of our highways to the economic development of the country; and, third, to encourage rural school development by means of improved methods of transportation of students. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic...
