MY TEACHER MEANS THE WORLD TO ME (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever had a special teacher that meant the whole world to you? Did you ever stop to take a moment to thank your teacher for all their hard work at least once? As a matter of fact, have you ever imagined how much work your teacher really does each day all just for you? Well, as for the little girl in this story, the answer to each of these questions is yes. Follow along with her as she takes time to learn more about her teachers and tell us about what she learns and why she appreciates her teachers so much. Though it is a book for more advanced readers (4th grade and up), the purpose of it is not only to teach students how valuable their teachers really are, but to finally give teachers the respect and appreciation they so truly deserve. Teachers work so very hard each and every day for the benefit of their students. They want so very much for their students to succeed in the classroom and in life. Teachers do all of this not only because they want to, but it is all a part of their job and for this reason, they do not ask for recognition. However, teachers truly do deserve respect and appreciation and there is not a better time than now to do just this for all teachers. To all the teachers around the world, this book is for you! Hold your head up high and stand up tall because you re valuable and you are appreciated for all you do!.
