## WHISPERING WINDS REMEMBER (PAPERBACK)

Tate Publishing Company, United States, 2014. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book. Little Star held the wolf around the neck until she saw the two men advancing toward the bushes behind which she was hiding. As the men saw the wolf, the first threw his spear toward the wolf, but it fell short of its mark. The wolf pounced on that man tearing at his throat while the second man speared the wolf in its side and readied to stab the wolf with his knife. Little Star had picked up the discarded spear and killed the man from behind. Whispering Winds Remember is the third in the series of six historical novels beginning with Kokopelli: Dream Catchers of an Ancient, with the sequel being Shadows Through a Spirit Window. The name of the series is Whispers from the Past. The fourth book is being written as you read this and is titled When the Spirits Move and is about the earthquakes and volcanoes that took place during the eleventh century in Northern Arizona. Watch for its release in late 2015. Thank you for your support by buying the books, and Donald hopes to meet you somewhere along his road of life.
