A School Algebra (Classic Reprint) (Paperback)

By Simon Newcomb

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from A School Algebra The guiding rule in the preparation of the present work has been to present the pupil with but one new idea at a time, and, by examples and exercises, to insure its assimilation before passing to another. This system is carried out by a minute subdivision of all the algebraic processes, and the end kept in view is that in no case where it can be avoided shall the pupil have to go through a process of which he has not previously learned all the separate steps. As a part of the same plan, definitions are so far as practicable brought in only as they are wanted, the first exercises in indicated operations are performed with numbers, and the pupil is set to work on exercises from the start. Correlative with the system of subdivision is that of extending the scope of the exercises so as to include not only the elementary operations of algebra, but their combinations and applications. It is hoped that the wider range of thought and expression in which...
