AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 222 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.There are many books that talk about poetry, some other books contain compilations of poems from diverse authors, some are well known and some are not. Some poetry books are masterpieces of metric and rhymes, they may impress you but the fibers of your being will remain untouched. There are very few books that share with you the feelings, beliefs and the author s life experiences. In the Life in Poems Dave Castle invites you to share the joy of celebrating the birth of a child, you are invited to feel the excitement and passion a man feels when meeting an attractive woman, you will also read about the pain and frustration of having those you love turn their backs on you. Romantic love and fraternal love are the essence of the poems. In the Life in Poems friendship is celebrated, passionate love is presented in its pure unadulterated form and wedding celebrations are a proclamation of eternal love and dedication to the loved one. Personal faith, morals and personal principles define our character, in turn, our character determines our daily life. The Life in Poems is about life and the way we live, the way we think and mainly the way we feel. A life is made of many moments, some are happy, some are not. This is a Life in Poems, many moments were collected in poems, as with life, some poems were about happiness but some were not.
