Brand New Book ***** Print on Demand *****.My name is DeMarco Holt, Sr. I was born and raised in Georgia by my mother and grandparents. During my childhood, things were rough in our neighborhood and to keep me from participating in my surroundings my mother moved us to a different part of town. Writing for me was not one of my favorite activities, and all I could think about was sports; basketball held a lot of my interest. As I grew through Middle school and even High school, I knew I was one of the best at the game. However, God had a different plan for me, and I began noticing my world changing. There were many frustrations; different people came in and out of my life. To deal with this God told me to put it all down on paper. Since the early 90s when all this came to pass, Captured was only a small part of my life but will be a large part of the world. Take your time to read and understand how the pieces in this book relate to your life. My wife, Natasha, has been my biggest supporter through the process of making Captured come alive, and I take this opportunity to tell her a Thank You.a I hope you enjoy reading this book as much as I ve enjoyed writing it. It has truly been an inspirational moment to express.
