

Praxis Commix: The Quest for Love Across Cultures

By Prashant Kumar

Vitasta Publishing Pvt. Ltd., New Delhi, India, 2013. Softcover. Book Condition: New. This is the story of an achiever who, right from the time he trudges to school carrying a heavy bag, asks several questions about the world and his role in it. He makes it to a prestigious engineering institute in Gujarat and then to Ireland and France for higher studies. He falls in love first with an Indian girl and then with a foreigner. As he struggles with the restrictions of culture, he wonders why an individual's happiness has to be submerged to uphold tradition. In all this, he holds a mirror to Indian society, wondering how a country can progress in this age of globalisation if it clings so strongly to age-old mores. These questions will find resonance in readers' own lives, making this much more than the gripping story of one young man's coming of age in the new millennium. Printed Pages: 176.

Reviews

This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).

-- **Shaniya Torphy PhD**

A new e-book with a brand new point of view. I really could comprehended everything out of this written e publication. I realized this publication from my dad and i encouraged this publication to understand.
