CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 396 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. This book is the outgrowth of a project at the New Jersey Institute Of Technologys School of Management funded by the Leir and Ridgefield Foundations that has evolved into the Leir Center For Financial Bubble Research dedicated to the study and understanding of Financial Bubbles. The Centers website is [www.leirbubblecenter.org](http://www.leirbubblecenter.org) where working papers and other materials can be freely downloaded. The material and ideas for the chapters in this book were first presented at a Conference organized by the Leir Center at NJIT and supported by the Leir Retreat Center. However the ideas and concepts they contain have benefitted greatly from the comments and questions of the conference participants and their subsequent inputs and revisions. The first question posed was whether the participants could agree on a definition of a financial Bubble or how it might be modified for different types of Bubbles. From this evolved the question how one would know when one was in a bubble as opposed to looking back after a bubble had burst and stating Oh yes! That was definitely a...
