

The Jewish Women of Ravensbruck Concentration Camp

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

University of Wisconsin Press. Paperback. Book Condition: New. Paperback. 302 pages. Dimensions: 8.4in. x 6.2in. x 0.6in. Ravensbrck was the only major Nazi concentration camp for women. Located about fifty miles north of Berlin, the camp was the site of murder by slave labor, torture, starvation, shooting, lethal injection, medical experimentation, and gassing. While this camp was designed to hold 5, 000 women, the actual figure was six times this number. Between 1939 and 1945, 132, 000 women from twenty-three countries were imprisoned in Ravensbrck, including political prisoners, Jehovahs Witnesses, asocials (including Gypsies, prostitutes, and lesbians), criminals, and Jewish women (who made up about 20 percent of the population). Only 15, 000 survived. Drawing upon more than sixty narratives and interviews of survivors in the United States, Israel, and Europe as well as unpublished testimonies, documents, and photographs from private archives, Rochelle Saidel provides a vivid collective and individual portrait of Ravensbrcks Jewish women prisoners. She worked for over twenty years to track down these women whose poignant testimonies deserve to be shared with a wider audience and future generations. Their memoirs provide new perspectives and information about satellite camps (there were about 70 slave labor sub-camps). Here is the story of real daily camp life with the womens thoughts about food, friendships, fear of rape and sexual abuse, hygiene issues, punishment, work, and resistance. Saidel includes accounts of the womens treatment, their daily struggles to survive, their hopes and fears, their friendships, their survival strategies, and the aftermath. On April 30, 1945, the Soviet Army liberated Ravensbrck. They found only 3, 000 extremely ill women in the camp, because the Nazis had sent other remaining women on a death march. The Jewish Women of Ravensbrck Concentration Camp reclaims the lost voices of the victims and restores the personal accounts...
