## LONDON'S ROYAL PARKS

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, London's Royal Parks, Paul Rabbitts, London's royal parks are among its most beautiful and beloved spaces: just as much as the Houses of Parliament, Buckingham Palace or St Pancras Station, the mere mention of Hyde or Regent's Park is enough to evoke the capital in all its glory for residents and tourists alike. They have a grand history - some were royally owned as far back as the Norman conquest, others were acquired by Henry VIII during the Reformation - and since being opened to the public during the eighteenth century, they have hosted some of London's great events, including the Great Exhibition and innumerable jubilees and celebrations. This book tells the story of all eight of the parks from the point when they were acquired by the monarchy until the present day, including the major historic moments and events with which they are associated.
