The little dog had numbers of brothers and sisters, and after a while, on pleasant days, they played with one another in the snow, and when it was stormy and the wind blew fiercely, they crowded close to one another against their mother s thick warm fur in a little snow-house that their Eskimo master made for them. From the first our little dog was stronger than the others and less clumsy in their puppy play. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
