

State Marijuana Legalization Initiatives: Implications for Federal Law Enforcement (Paperback)

Filesize: 7.08 MB

Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

STATE MARIJUANA LEGALIZATION INITIATIVES: IMPLICATIONS FOR FEDERAL LAW ENFORCEMENT (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Marijuana is the most commonly used illicit drug in the United States. In 2013, an estimated 19.8 million individuals in the United States aged 12 or older (7.5 of this population) had used marijuana in the past month. While reported marijuana use is similar to that in 2012, it has generally increased since 2007 when 5.8 of individuals aged 12 or older were current users of marijuana. Mirroring this increase in use, marijuana availability in the United States has also increased. This growth has been linked to factors such as rising marijuana production in Mexico, and increasing marijuana cultivation in the United States led by criminal networks including Mexican drug trafficking organizations. Along with the uptick in the availability and use of marijuana in the United States, there has been a general shift in public attitudes toward the substance. In 1969, 12 of the surveyed population supported legalizing marijuana; today, more than half (52) of surveyed adults have expressed opinions that marijuana should be legalized. And, 60 indicate that the federal government should not enforce its marijuana laws in states that allow the use of marijuana. The federal government-through the Controlled Substances Act (CSA; P.L. 91-513; 21 U.S.C. 801 et. seq.)-prohibits the manufacture, distribution, dispensation, and possession of marijuana. Over the last few decades, some states have deviated from an across-the-board prohibition of marijuana. Evolving state-level positions on marijuana include decriminalization initiatives, legal exceptions for medical use, and legalization of certain quantities for recreational use. Notably, in the November 2012 elections, voters in Washington State and Colorado voted to legalize, regulate, and tax the recreational use of small amounts of marijuana. In the November 2014 elections, legalization...
