A YOUTH BASEBALL COACHING GUIDE

iUniverse. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 9.1in. x 6.2in. x 0.5in. This book was written expressly for you who are coaching children in baseball. We stress how to teach children this complex game and to have fun doing it. The book covers all facets of the game from the most basic how to throw, catch, run and bat to game strategies and tactics. When coaching children it should be a fun experience for everyone, for you, for the parents, and most important of all, for the children. As a coach, we cover the teaching attitude and methods. We always keep in mind that these are children, and the game is for the kids and not for the adults. Winning isn't everything, but learning to play well and wanting to win is. We have taken the children from first grade through the eighth grade and broken them into four categories. In each category we discuss the player's needs and abilities, what they are capable of in both the physical and emotional sense, and their limitations. We have also defined the coach's role, the parent's role and the player's role. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
