

## Inside the Mommie Pond (Paperback)

By Beverly Adewoyin

Outskirts Press, United States, 2013. Paperback. Book Condition: New. 216 x 211 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Mommie pond is a delightfully whimsical story that is full of sweet warm sequential pictures. A little boy named Miles is curious about how he came to be. In this book about pregnancy and child birth, the child's mother describes her pregnancy and his birth. The child's mother describes in a sweet, loving, family friendly manner the magical physical changes that come during the pregnancy as a baby develops and the mommy's tummy gets larger. The author recommends that the parent and child read the book together. The idea of the pond was based upon the aspect of the small fetus swimming around in the placenta fluid. The Mommie pond is a book inspired by the pregnancy of the author's daughter who was pregnant with her first child. The grandmother coined the term Mommie pond based upon seeing her grandson in his fetal state swimming around in the placenta fluid like a fish in a pond. The story was meant to put parents at ease at relating child birth and pregnancy without giving...
