101 WAYS TO HELP PRESCHOOLERS EXCEL IN READING, WRITING, AND SPEAKING

R&L Education. Paperback. Book Condition: New. Paperback. 158 pages. Dimensions: 8.8in. x 5.9in. x 0.5in. This book gives preschoolers valuable practice in reading, writing, and speaking skills by engaging them in a series of enjoyable activities. Preschool teachers, nursery and day care workers, kindergarten teachers, parents (especially home schooling parents), and E. S. L. teachers, will find the activities both easy to follow and user-friendly. Teachers can use many of the activities with groups in a classroom setting, while parents can use them with individual children in a home setting. All of the activities address values important to childrens growth and development: cooperation, friendship, respect for others opinions, intergenerational closeness, generosity, and gratitude. The activities are divided into two main sections: early preschoolers (ages 2-4) and preschoolers (ages 4-6). Within each of these categories, activities progress from basic to intermediate to advanced. The teacher or parent can modify or expand upon all of the activities, adjusting them to a childs individual needs. The activities begin with a description of what the teacher will accomplish during the activity. The target skills section tells the teacher at a glance which skills the activity reinforces. The game plan gives a step-by-step list of things to do from the activitys beginning to end. Finally, sample scripts help the instructor talk to children about the activities appearing throughout the book. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
